### **Prepare Your Items**

~Gather things you will need: Card stock (white or light colored 8 1/2 x11, you can buy at Office Depot or Wal-Mart, Target, etc), Ziploc Bags. Safety Pins, cable ties or "zip" ties (buy zip ties at the dollar store or Home Depot) are great to hold things together that you want to sell together -- and plastic hangers (either new ones from the dollar store or ones from clothing stores in your closet).

~When attaching tags to clothing items, PLEASE **safety pin** the tags to the right shoulder of the garment, unless you think the pin hole will damage the item, in that case feel free to pin the tag into the inside label on the collar. ALSO feel free to use a tagging gun and put in the label of the collar.

~An easy way to attach tags to shoes would be to use a hole punch and put a ribbon or yarn through and tie to the item! Please do NOT put shoes in zip lock bags! People want to try them on. (this is different from the Wee-Sale)

~Gather and organize the items you are selling.

~There is a \$3 minimum, so group items together that are worth less than \$3.

### **Accessories – Women's**

~Belts, scarves, sunglasses, pantyhose (pantyhose must be **NEW** in original packaging)... these will either be displayed on tables or hung from our metal grids, so safety pin your tags to the items or put in Ziploc bags.

### **Baskets**

~We all have baskets we may not use! Baskets must be in good condition and reasonably priced. Longaberger baskets sell well, please price approx 1/3 of retail for higher end baskets.

### **Bedding**

Comforters, duvet covers, matching pillows and shams ~it is best to package bedding set together in a clear plastic bag with zipper. These can also be purchased at discount stores, or re-use the ones you have at home from recently purchased bedding. (Those new zip lock big bags are great for this!) Try not to overprice your bedding. We know it was expensive, but think about what **you** would pay for it.

**Sheets:** only NEW sheets will be accepted.

### **Books**

Fiction and non-fiction books will be accepted. Books must be in good shape and priced well, consider grouping similar fiction books together in Ziploc bags or tied with string or wrapped in saran wrap if they are not worth our minimum of \$3, attach tag with packing tape to the bag, packing tape the bags closed.

### **CDs**

Music CDs will be accepted. Again, feel free to group similar genres of music together in Ziploc bags; attach tag with packing tape to the bag, packing tape the bags closed.

### **Clothing**

~Clothing must be **smoke** and odor free!

~We will have a large dressing room with mirrors as well as a **limited** number of smaller, more private spaces to try things on. We recommend if you are self conscious to wear a tank and work out shorts under your clothing so you can change easily.

~Hang clothing on plastic hangers. **Please have the hanger look like a question mark.**

~**Attach tag** on the right shoulder of the garment with a safety pin, or with a tagging gun. If you do not want to put a pin hole through the right shoulder, pin or tagging gun tag to the inside label.

For the **Fall Sale**, we will be receiving women's fall and winter clothing (including Holiday dresses), Junior and Maternity clothing, and coats, etc.

For the **Spring Sale**, we will be receiving women's spring and summer clothing.

All pants should be pinned to a hanger, not folded over, as they tend to end up on the floor. Please do not jam a hanger in a pair of pants. It will ruin the pants and they will look terrible. Safety pin the pants onto a hanger. If you have pants hangers, these are preferable so the pants can be easily tried on.

IF you are pinning the item to the hanger, **PLEASE** use a different pin to put the price tag on, this way the shopper does not have to UPIN the price tag to try the item on. This was a huge problem in the dressing rooms as we had price tags separated from items and this lends to mistakes when the tags get pinned back on the items.

If you are selling a set, top and bottom, the best way to do this is to put them on separate hangers and zip tie the hangers together tightly. This will make it very clear that they go together. The items must be visible without taking them off the hanger, otherwise everything ends up on the floor. If you have a shirt or something that looks like it might fall off a hanger, it will! Pin it to itself inside the hanger so it is sure to not fall off. We pick many things off of the floor and then they are separated from their other items and it is hard to keep track of.

#### **Clothing - Lingerie - NWT Only!**

~We will only take lingerie if it is new with tags. Please place on a hanger.

#### **Clothing - Swimsuits - NWT Only!**

~Because many of you vacation in the winter, we will take swimsuits at the fall sale, however we are only taking NEW with tags swimsuits. Please place on hanger.

#### **Clothing - Women's**

#### **Clothing - Women's Petite**

#### **Clothing - Women's Tall**

#### **Coats - Women's**

~For these categories, once again place on plastic hangers, and mark sizes appropriately.

All clothing should be **in style** and in **excellent condition (no stains, rips or tears)**

Please do not be offended if we turn any of your clothing away if it is dated (or too loved)! Don't forget those holiday dresses, ladies!

#### **Decorative Collectibles**

We will be selling collectibles. This might be Hummel Figurines, Thomas Kinkade, or other decorative things, if you have questions about specific collectibles, please email us at [info@shesaleconsignment.com](mailto:info@shesaleconsignment.com) and ask!

### **Costumes**

**Tasteful**, adult Halloween costumes will be accepted.

### **Crafts**

Have you tried to scrapbook or stamp or make jewelry and time has gotten away from you? Here is a good venue to sell your craft supplies. Adult crafts only please, save your kids craft supplies for our Wee-Sale.

### **Décor**

We realize the word décor is very general. We are talking about **tasteful** home decorations like pillows, wall hangings, nice frames, NEW candles, vases, silk flower arrangements, book ends. Décor should be **in style** and in **excellent condition**. Please do not be offended if we turn any of your home décor away if it is dated!

### **Decor - Holiday**

Ok, one category we are much excited about – **tasteful** holiday décor. Please leave the cheesy, chintzy décor at home (or give to charity)!

### **Decor - Garden**

A really fun category: garden figurines, lions, large flower pots (clean please!), garden frogs, gnomes, etc. SMALL patio/porch furniture will be accepted. No large furniture (se just don't have room for it yet) please email us with any questions at [info@shesaleconsignment.com](mailto:info@shesaleconsignment.com) and ask!

### **Dinnerware**

We debated to include dinnerware or not, and decided to try it! It must be a **minimum set of 4** matching pieces and it **MUST** be in good condition, no chips.

### **DVDs**

As with music cds, DVDs (movies) should be PG or older ratings (save your kids DVDs for our Wee-Sale) feel free to group together similar movies in Ziploc bags.

### **Furniture - Medium**

#### **Furniture - Small**

Since this is our first She-Sale, we are going to start with small and medium furniture, end tables, coffee tables, small chairs, small book shelves, etc. Once again, no large furniture, please email us with any questions at [info@shesaleconsignment.com](mailto:info@shesaleconsignment.com) and ask!

### **Handbags**

This is a big seller, handbags should be in good condition, clean inside and out, no stains (or odors) and in style! If you are selling a knock off bag, PLEASE make it very obvious in the tag, like: COACH – LIKE or COACH KNOCK OFF, and price appropriately. If

you are selling a REAL designer bag, please tag with AUTHENTIC or something like that. For the REAL bags, we will be zip tying them to the grids to avoid shoplifting. My dad also made a new locking wooden case for smaller wallets or jewelry that are higher priced.

### **Hats - Women's**

Hats are fun! Bring your best!

### **Jewelry**

Watches, earrings, necklaces, attach tags to items with safety pins or put in Ziploc bags. Higher priced jewelry will be locked in a small wooden case.

### **Junior - Girls**

Our shoppers have been begging us to add these categories! Justice, Abercrombie & Fitch, Aeropostal, Baby Phat, Hollister, Juicy, Roxy and more! Clean out your daughter's closet and sell her outgrown things and then bring her to the sale to shop for more! ~~ Get her involved and let her keep the money she makes!

### **Junior Fancy Dresses**

I know we are early for Prom and late for homecoming, but if your daughter already knows she is going, have her get her dress now at a really great price!

### **Maternity Clothing**

The **one** category we are going to overlap with our Wee-Sale (since everyone is pregnant at different times.) Maternity clothing is expensive! Sell your clothing at our sale; remember to price to sell in this category, especially if it is trendy.

### **Serving Dishes**

Our pre-sale feedback from customers was that many of us have extra serving dishes that we do not use! Ladies would love a place to easily sell (and buy of course) fun things to use for serving. Serving dishes should be in good condition with no cracks or chips. Price to sell!

### **Shoes**

Slightly different from our Wee-Sale, we will **NOT** put shoes in Ziplocs as ladies will want to try these on! So use masking tape and tape the tag to the bottom of the shoes and we will set out by size OR use ribbon and tie the tag to the shoes.
